

“This is my commandment: Love each other in the same way I have loved you.” John 15:12

For the month of November, we will be partnering with “Feeding Northeast Florida,” by donating dry food and canned goods for the less fortunate. Each class will have an assigned item to donate. It is a great opportunity to teach the kids about giving and serving!

We love teaching your children; it is amazing to see them discover new things academically in the classroom! However, the most valuable lesson a child can learn is to love. God is love and we strive for each child to know that God’s love for us is not to be kept to ourselves but to be shared with others. It is a chance to be the hands and feet of Christ. Please use this as an opportunity to show your child that it is better to give than to receive. ☺

There will be a box located outside of each classroom. Each class will donate a different item (see list below). **All donations need to be submitted by Friday, November 22nd.**
